OUR STAGE DECOR

Indoors Outdoors, we Decorate it all!

Carolina Balloons is the type of family business that colleges love to work with. Our clients become our friends and we encourage each other through every life journey and event. But when it comes to “balloon-decor money-time” we show up to create a perfect installation.

We are meticulous on color matching and being on point with your branding. We add color to any college event to create lasting memories for all your visitors.

“When we are hosting hundreds of visitors, we decorate our events with Carolina Balloons,”

Matt Brown

We understand that running a college event requires a lot of synchronizing between team members and vendors.

You are always super busy and that's why your schedule is always adhered to and respected.

"We love using Carolina Balloon and Confetti for our events at Wake Forest - their team is reliable, friendly, and efficient. Even amidst COVID-19 hurdles, they were flexible and patient and never compromised our experience. We're grateful for their partnership and definitely have our go-to source for any of our upcoming decoration needs!"

"From the first time working with Carolina Balloon and Decor over 10 years ago, I knew we had a team that was dedicated to his craft and we've never once been disappointed. They are my "balloon guys" and I'd never consider going anywhere else for the needs of our huge New Year's Eve celebrations. When you have over 12000 people ready to party...well, you wanna make sure everything goes according to plan. Kris and his team at Carolina Balloon and Confetti will take your event to new heights and bring ideas to the table you may not have considered. They'll help make it memorable for everyone involved."
